HOCKEY OUTLOOK...

For a number of years, much has been discussed about the possibility of forming a National University Hockey League in Canada, the idea being the creation of a league of top-calibre teams that would develop University hockey in this country. For a variety of reasons, and excuses, no such league has ever been formed, although a great deal of time and effort has been put forth by a number of people.

No team wanted, or needed, the National league more than the Concordia Stingers. Playing in the Quebec University Athletic Association, the Stingers have amassed a record of 153 wins, 21 losses and 7 ties over seven years of existence and not because the Q.U.A.A. has been that weak. However, with the exception of the four team Canada West Conference, the other four Conferences in Canada offer imbalance, combining top-calibre teams like the Stingers, University of Toronto, Brandon and Regina with perennially weak opposition.

Recently, an upsurge in the Maritimes, perhaps spurred on by Moncton's success, has given that conference more equal competition at the top. But nothing matches the ideal of the National League concept as closely as the newly created set up for University hockey in Quebec.

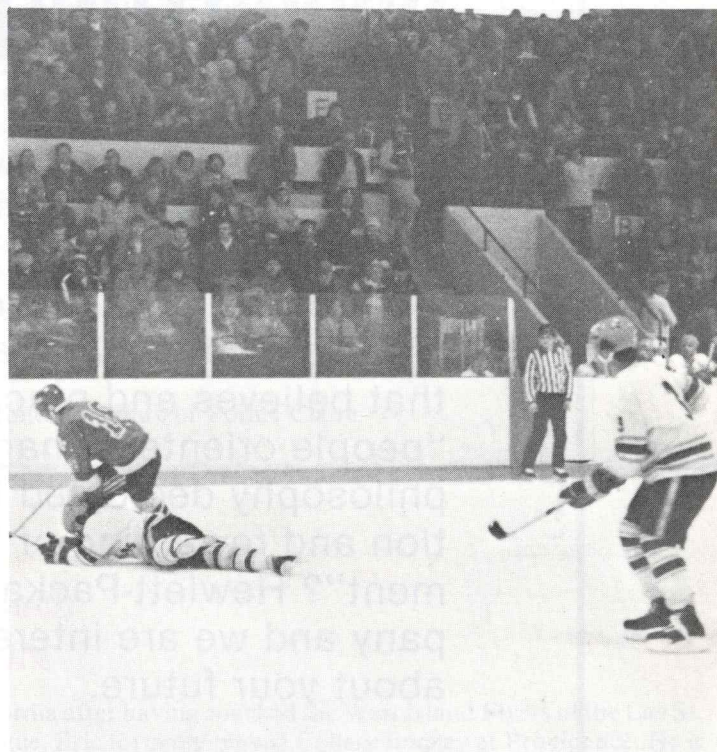

Based on a proposal put forth by the Q.U.A.A.'s Pierre Dubé, the six team league embarks on a critical path in 1982-83, one that could make Quebec a leader in University hockey, or one that could end with the demise of the league.

Dubé's plan, modified, then sanctioned by six members (Bishop's withdrew from hockey at the conclusion of the 1981-82 season) calls for outside sponsorship for teams, community

involvement in programs, a scholarship fund to attract the top players to Quebec schools, an increased schedule, a commitment to hire full-time coaches by members, and increased promotion to improve the image of University hockey in the Province.

The immediate result of the Q.U.A.A. endeavour is that for the 1982-83 season, schools will play 30 games each up from 24, including two four-team round-robin tournaments to be held at Concordia and Laval, and then on a rotating basis each year; increased playoffs this year to include a 3 of 5 final with both semi-finals and finals to be 3 of 5 next season; and some sort of scholarship fund to begin this year and expand in the future to include all players on each team.

For 1983-84, all Universities must have a full-time hockey coach on staff. This regulation is probably the most significant because it expounds the extent to which Quebec Universities will commit themselves to hockey.

If the plan is successful, the Q.U.A.A. will have created a top-calibre league of balanced competition without having the travel expense necessary for a national concept. Also, the proximity and natural rivalries amongst the Quebec schools could develop renewed interest in University hockey in Quebec, if the level of competition can be raised to produce a competitive equality.

Only time will tell if it can work, but at least the Q.U.A.A. is making a solid attempt. If the plan works, don't bet against Quebec taking a leadership role in University Hockey in Canada.

COACHES

Head Coach

PAUL ARSENAULT

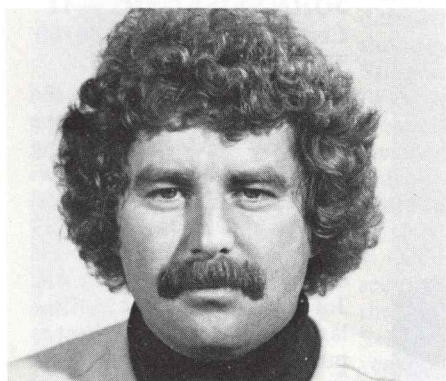

After 18 seasons of coaching University Hockey at Sir George Williams, Loyola and Concordia, Paul has amassed 443 wins, 176 losses, 43 ties, and 15 league titles. Last year, Paul was selected Quebec University "Coach of the Year" for the third time, while leading the Stingers to a seventh straight league championship. Three years ago, he was assistant coach for the Canadian Student Team that toured Czechoslovakia and West Germany, and for the past two seasons, Paul has handled the dry-land training program for the Montreal Canadiens.

Only a National crown has eluded Paul's teams over the years, and none came any closer to winning than last years squad.

The Stingers were edged 4-3 in overtime by the powerful University of Saskatchewan Huskies in the opening round in a game the Stingers could have won.

The Stingers were as good as any team in the C.I.A.U. last year, and with the promise of a more competitive Q.U.A.A. this season and a grueling 16 game non-conference schedule, the Stingers should be well prepared for a run at the Nationals in '83.

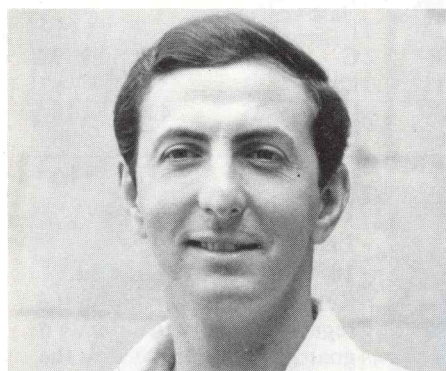

Paul, his wife Cathi and daughters, Klay and Holly reside in the Montreal suburb of Pointe Claire.

Assistant Coach

ERIC DIXON

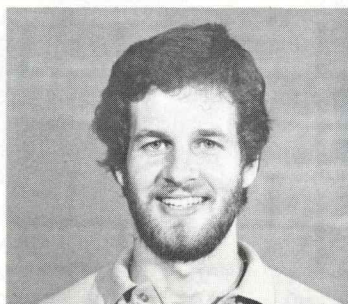

Eric comes to Concordia after having coached the West Island Flyers of the Lac St. Louis Junior B League. Eric formally played College hockey at Providence. He is 26 years old and the brother of former Loyola and Sir George goaltender, Don Dixon.

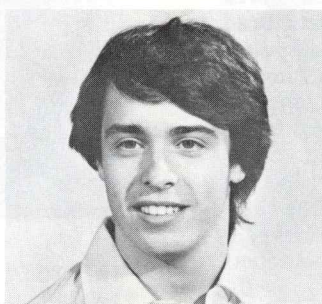

J.V. Coach

RICH BURCUSSON

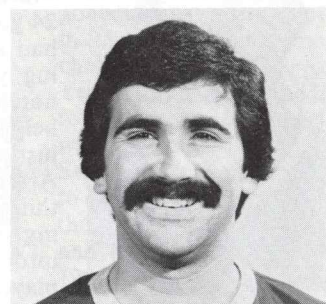

Rich joins the Stingers as coach of the Junior Varsity program. His coaching background includes work in the T.M.R. minor hockey program and a stint as head coach of the West Island Flyers Junior B team.

RETURNING LETTERMAN

DAN BURROWS — 1
Goal, 6'4, 205, 15/01/63
Toronto, Ont.

Dan had an excellent rookie season for the Stingers last year posting a 2.72 goals against average and registering 3 shutouts in 21 games. He was selected to the Q.U.A.A. All-Star team. Dan was drafted by the Montreal Canadiens two years ago while playing for Belleville Juniors. He has attended the Canadiens training camp the past two years, and hopes to land a spot with the Habs when he completes his degree at Concordia.

DEREK WATT — 7
Defense, 5'10, 180, 30/06/58
Pierrefonds, Que.

Derek comes off his first full season with the Stingers after splitting his time between the Stingers and the J.V.'s his first year. His experience will be needed this season as only three starters return to the Stinger defense. An aggressive player who hit near the century mark in penalty minutes in 1981-82, Derek is a former member of the Pierrefonds Pirates. Won "Blocker of the Year" award last season.

BRAD HOOD — 14
Centre, 6'1, 185, 03/03/61
Toronto, Ont.

Coming from the Toronto Marlies where he had scored 24 goals and 26 assists, Brad had a somewhat disappointing year with the Stingers, notching 13 goals and 24 helpers. But with a year of adjustment behind him, coach Arsenault is expecting big things from Brad in the coming year. He should develop into one of the leagues best players.

RON STONEBURGH — 6
Defense/Forward, 6'5, 220
08/05/58, Scarborough
Ont.

Originally a defenseman with the Newmarket Jr. A. Flyers Ron played up front much of the time last year. He was also used as a penalty killer by coach Paul Arsenault. With his experience and size, Ron will likely be called upon to fill in as a utility player this season, as both forward and as a defenseman. Stoney is the biggest player on the Stingers.

JOHN SLISKOVIC — 11
Centre, 5'11, 170, 09/08/60
Thunder Bay, Ont.

John has developed into the best two-way player on the Stingers. He does everything including playing on the power play and killing penalties. Quiet spoken, John has still become a team leader by his consistent play and hustle. John saw plenty of ice-time last year and he will see just as much this season. Won "Player of the Year" team award last year.

KELLY KAVIC — 15
Left Wing, 6'0, 190
10/01/60, Maxville, Ont.

Kelly was sluggish during the regular season scoring only 5 goals, but he exploded in the Nationals in Moncton and was invited to a tryout with the Washington Capitals. An excellent skater, with good size, Kelly has all the tools to make pro. The experience gained with the Capitals should give him the confidence to have a great year with the Stingers.

GILLES HEBERT — 16
Centre, 5'9, 175, 23/01/59
Ste. Julie, Que.

Entering his fourth season with the Stingers, Gilles has been a consistent scorer in this first three years, potting 55 goals and reaching the 20 goal plateau on two occasions. His consistent offensive play should earn him one of the four starting centre spots on this years club. No one works harder than Gilles on the Stingers, in games and at practice.

KEVIN MURPHY — 20
Right Wing, 5'11, 175
03/04/58, Montreal, Que.

Entering his fifth year of college hockey, Kevin is a solid defensive forward and one of the toughest checkers on the Stingers. Coach Arseneault likes to turn to Murphy in close checking playoff games. Kevin and Rick Pardo turned it around for the Stingers last year in game two of the Q.U.A.A. finals against U.Q.T.R., scoring two quick second period goals to give the Stingers the lead for good. Selected Stinger M.I.P. last year.

ROMAN DZIATKOWIEC — 23
Left Wing, 5'11, 180
26/11/59, Toronto, Ont.

Roman scored 6 goals in his first league game with the Stingers three years ago and he's been scoring ever since. He has 189 points in three seasons which puts him 62 points behind Randy Mohns, the All-Time leading point-getter at Concordia. Roman had 71 points last year to lead the team in scoring. Don't bet against him passing Mohn's record around playoff time this season. Won Stinger "Big Play" team award last year.

BRIAN TAYLOR — 17
Right Wing, 5'11, 185
25/02/59, Beaconsfield
Que.

Like John Sliskovic, Brian is a solid two-way player. He has scored 40 goals in two seasons and has been a top defensive forward as well. Brian always plays well in the play-offs. He came to the Stingers after playing for the Pierre-fonds Pirates Juniors.

MIKE WALKER — 21
Defense, 5'11, 180, 28/02/59
Scarborough, Ont.

In his second year as Team Captain, Mike is the all-round leader of the Stingers. Originally a centre in junior, he has played defense for three years with the Stingers, being selected an All-Star in that position. However, Coach Arseneault would like to have Mike move back to centre this season, if the newcomers on defense can fill the gap. In any case, Mike will see plenty of action in the coming year on the power play, penalty killing and taking a regular shift at centre, or defense, or both.

STEPHANE HEON — 25
Goal, 5'9, 155, 24/02/62
Brossard, Que.

Like Dan Burrows, Stéphane had a tremendous rookie season at Concordia, posting a goals against average of 2.65 in 25 games. The former Richelieu Jr. B "Player of the Year" adjusted immediately to college hockey. Stephane was selected a Q.U.A.A. All-Star last year and is expected to once again give the Stingers the best goaltending combination in the Nation in the 1982-83 season.

NEW COMERS

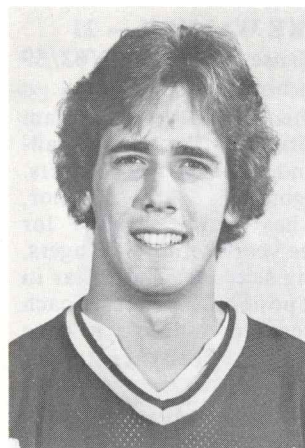

JOHN HOGARTH — 2
Defense, 5'8, 175, 28/12/59
Bowmanville, Ont.

John played with the Junior Varsity last year after seeing some early action with the Stingers. That experience should give him the inside track in earning a spot with the big team this season. He previously played for the Wexford Raiders of the Ontario Jr. A. League.

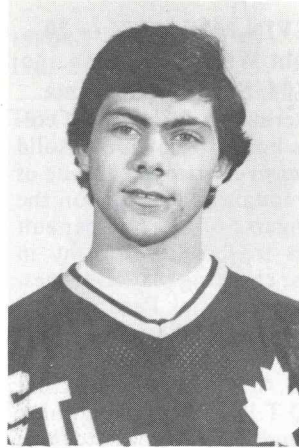

STEVE LETWIN — 3
Defense, 6'1, 185, 21/09/63
Thunder Bay, Ont.

Steve played Jr. A hockey in Thunder Bay last year where he was selected the leagues' Most Valuable player. He was chosen as best defenseman when playing midget and bantam in Thunder Bay. A good bet to help the Stingers this year.

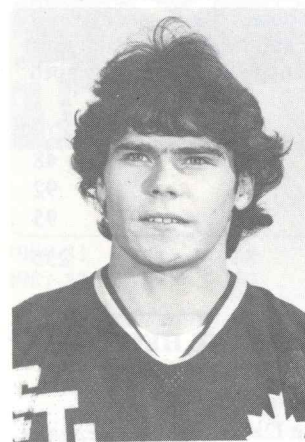

MARC LALONDE — 4
Défense, 6'3, 196, 03/07/62
Cornwall, Ont.

Coach Arsenault is looking to Marc to bolster the Stingers defense. Marc comes to Concordia with plenty of experience having played in the Cornwall Royals Memorial Cup team in 1981. Marc played right-wing in midget and Jr. B hockey in Cornwall.

BILL PATTERSON — 5
Left Wing/Def., 6'0, 180
03/04/63, Beaconsfield, Que.

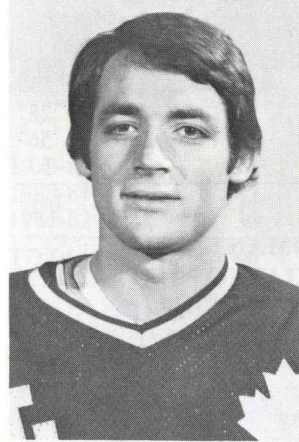

A native of Regina, Bill played on the bronze medal winning team in the Air Canada Midget tournament in 1980. In high school, Bill played football and was selected an All-Star at defensive tackle.

RUDY PERIZ — 8
Left Wing, 5'10", 180
27/07/61

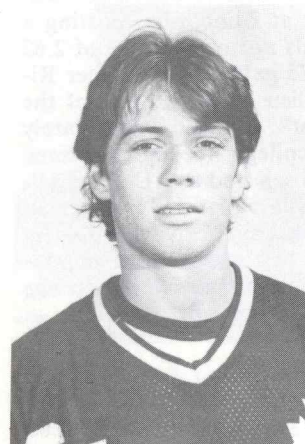

St. Felix de Valois, Que.

Rudy was impressive last season playing for The Junior Varsity. Coach Arsenault feels Rudy is ready to make it with the Stingers this season. Rudy completed his CEGEP degree at Vanier College.

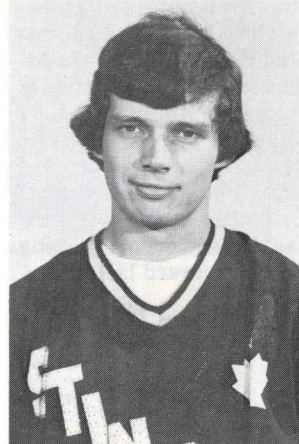

PAUL BEDARD — 9
Centre, 6'0", 195, 05/07/60
Aurora, Ontario

Paul joins the Stingers after a distinguished career at Bishop's. Last year he was selected a QUAA All-Star and Bishop's "Male Athlete of the Year". The former Gaiter Captain is expected to be one of the team leaders for Paul Arsenault's Stingers this season.

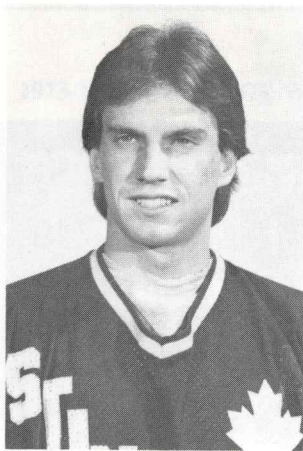

BERT GOW — 10
Centre/Right Wing, 5'10", 165
11/06/63, Montreal, Que.

Bert spent all of last season with the championship Junior Varsity squad. Coach Arsenault sees Bert as a good bet to earn a spot with the Stingers this year. Formerly played J. V. Hockey at R.P.I.

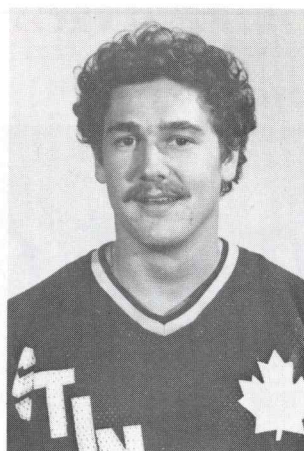

KEVIN MCGOVERN — 12
Right Wing, 6'0", 180
09/03/60
Verdun, Quebec

Played for the Bishop's Gaiters last year where he was selected the team's most improved player. He formerly played CEGEP AAA hockey in his hometown with the Dawson College Blues. His experience will help him earn a spot in the Stinger line up.

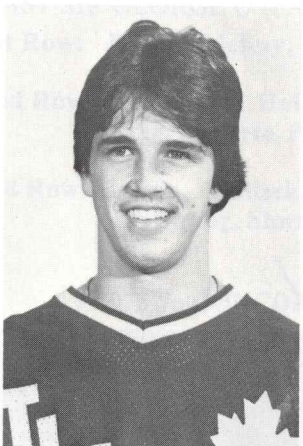

MARK ODROWSKI — 18
Defense, 6'0, 175, 30/01/62
Trout Creek, Ont.

Mark split last season between the Stingers and the J.V.'s appearing in 15 games with the Varsity. Coach Arseneault is high on Mark and is looking to him to fill the gap created by the graduation of two starters from last years defense. With experience, Mark could develop into a league All-Star. His father Gerry, played professionally with the Sudbury wolves of the old EPHL and with Detroit Red Wings in the NHL.

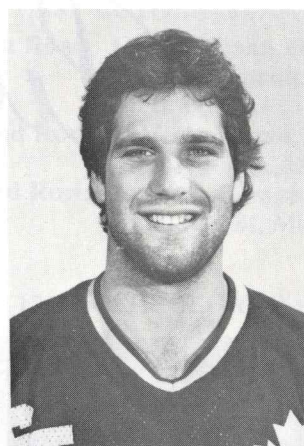

BOB VIGLIOTTI — 19
Left Wing, 6'2", 205
11/12/59, Acton, Mass.

Joins the Stingers after 4 years at Bishop's. His size and experience will make him a welcome addition to the Concordia attack. Bob is a graduate student at Concordia.

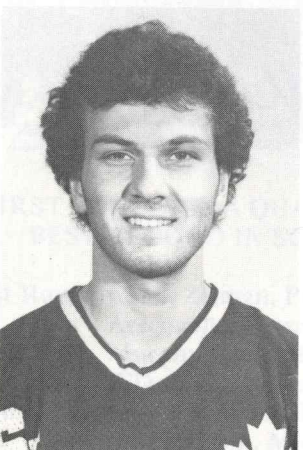

MARK KOSTURIK — 22
Centre/L. Wing, 5'8, 150
11/05/62, Thunder Bay Ont.

Mark was the leading scorer on the North Bay Trappers Jr. A. Club last year, scoring 35 goals and 41 assists. With Sturgeon Falls Juveniles in 1980-81, he was selected rookie of the year and picked as an All-Star. In 32 games, he totalled 85 points. An excellent puck handler, Mark was born in Landstul, West Germany.

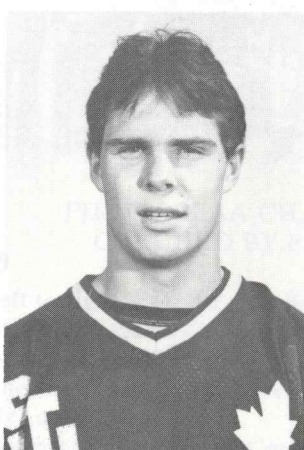

CLAUDE L'ABBÉ — 24
Right Wing, 6'2, 210
15/01/62, Lorraine, Que.

Claude played for the Granby Bisons of the QMJHL last year. In the 1980-81 season he was with the Hull Olympics. Claude has previous University hockey experience having played for Clarkson College in the 1979-80 season. The big winger should crack the Stinger line-up this year.

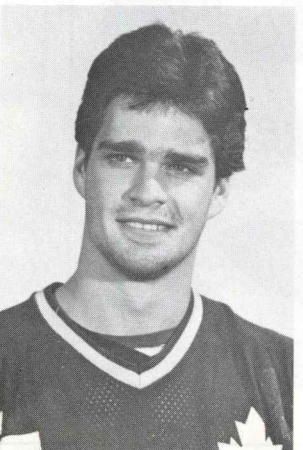

WILLIAM D'AMBROSIO
Right Wing, 6'0, 178
02/04/62, Lasalle, Que.

Former member of the Lasalle Cyclones Jr. B. of the Lac St. Louis league. Last year had 41 goals and 65 points in league and playoffs with Lasalle.

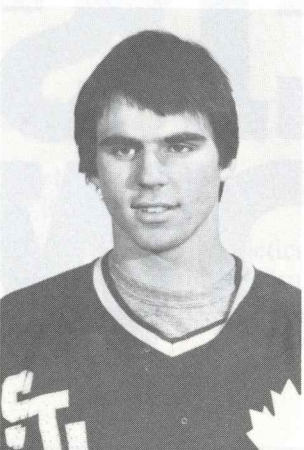

RANDY EDMONDS
Forward, 5'10, 168
17/04/63
North Bay, Ont.

Last season with Scollard Hall High School in North Bay, Randy had 30 goals and 31 assists in just 16 games. Randy is also a former member of the North Bay Trappers of the Ontario Provincial Jr. A. League.

BRIAN MANSON
Centre, 6'1, 180, 13/02/62
Vancouver, B.C.

Brian joins Concordia from Vancouver where he played tier II Junior hockey for the Norwest "Caps". In midget, Brian was third in scoring in an Air Canada Tournament.

FRANKIE MORRIS
Centre, 5'11, 161, 22/03/63
Alexander, Ont.

Brother of former Stinger All-Star defenseman Donnie. Last year was selected Most Valuable Player with Alexandria Jr. B. "Glens".

Schenley O.F.C.: the only 8-Year Old that's guaranteed right on the back of the bottle.

Canadian law requires distillers to place a stamp on their whisky bottles showing the year the whisky was distilled.

With Schenley O.F.C., we go a lot further. We certify that our

whisky has been aged in charred white oak casks, for a full 8 years.

We believe 8 years is a perfect aging time for whisky. When it reaches its prime for a smooth, mellow taste.

Schenley O.F.C.
The 8-year old
that's guaranteed.

THE PERFECT GLOVE SAVE

THE EYES—Since one of the cardinal principles of this position is, *always keep your eye on the puck*, the goalie won't allow himself to be "suckered" out of position by a body or eye fake, no matter how well executed. Instead, he'll concentrate on the puck at all times, not only to be ready for its release, but also to react to those unpredictable skips, rolls and hops that it may take.

THE SHOULDERS—Because the goalie's objective is to "cut the angle" of the shot, or minimize the target area, he'll crouch forward and keep his shoulders facing the puck carrier, utilizing the full width of his shoulders as a screen.

THE ARMS—Note how the stick arm is held naturally at the side, to allow the stick's blade to rest squarely on the ice in front of his body, perpendicular to the on-rushing puck. At the same time, the glove hand is held away from the body, slightly in front with the catching glove open and facing forward so he can immediately react to the shot. And, most importantly, note that when he makes his move, he does so decisively.

THE LEGS—To prevent hockey's ultimate embarrassment, a shot made between his legs and into the net, the goalie always keeps his legs and shin pads tight together while there's an offensive threat facing him.

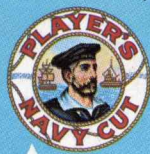

THE PERFECT GLOVE SAVE—Because the puck is safely trapped in

his glove, the possibility of a deflection or rebound is eliminated and the goalie has the option of either feeding it off to a teammate to take back up the ice, or holding it for a face-off.

Thus the glove save is one of the most important plays in a goalie's repertoire because, when perfectly executed, it completely eliminates a possible scramble for a loose puck in the goal mouth while at the same time effectively stopping the scoring drive.

The more you know about the game, the more you'll enjoy it. And the more you know about satisfaction the more you'll enjoy the great taste of Player's.
